?????????: The quantity must be a valid number greater than 0.

The screenshot shows a software interface with a yellow header bar containing the text '?????????'. Below the header, a message in Chinese reads: '?????????“????”????????????????“????”????????????’ and '?????????“????>????”????????eBay????????????????“????”????????’.

The main area displays a table of sales channel accounts. The columns are labeled: '銷售渠道簡稱', '帳戶名稱(全寫)', '店鋪帳號ID', and '接結狀態'. The first row shows the account '007' with the status '基本API: 已連接' and '擴展API: 已連接'. A red arrow points from the top right towards the '接結狀態' column of the first row, and another red circle highlights the '已連接' status text.
