

How to add EPREL registration number to a product with an Energy Efficiency Label (EEK label)

1133 | 1133 | 1133: Thu, Mar 19, 2026 6:20 AM

How to add EPREL registration number to

a product with an Energy Efficiency Label (EEK label)

1. Energy efficiency labeling requirements in the UK and EU: Energy efficiency labeling
2. How to add an EPREL registration number and other information

1. Energy efficiency labeling requirements in the UK and EU: Energy efficiency labeling
<https://www.ebay.com/help/selling/selling-internationally/energy-efficiency-labeling?id=5406>

2. How to add an EPREL registration number and other information.

Edit your datasheet, find the item specific in "Basic Information," and add EPREL registration number and the energy efficiency rating.

eg:

Item spec name in DE site

EPREL-Registrierungsnummer

Energieeffizienzklasse

Edit Item Specific

The selected ebay category has the following Item Specific recommendation

Marke **Required**

Farbe **Required**
