2018-04-12 system update notice

1. You can now change the name of an existing Listing Template

You can go to editor mode, then use either of the following method:

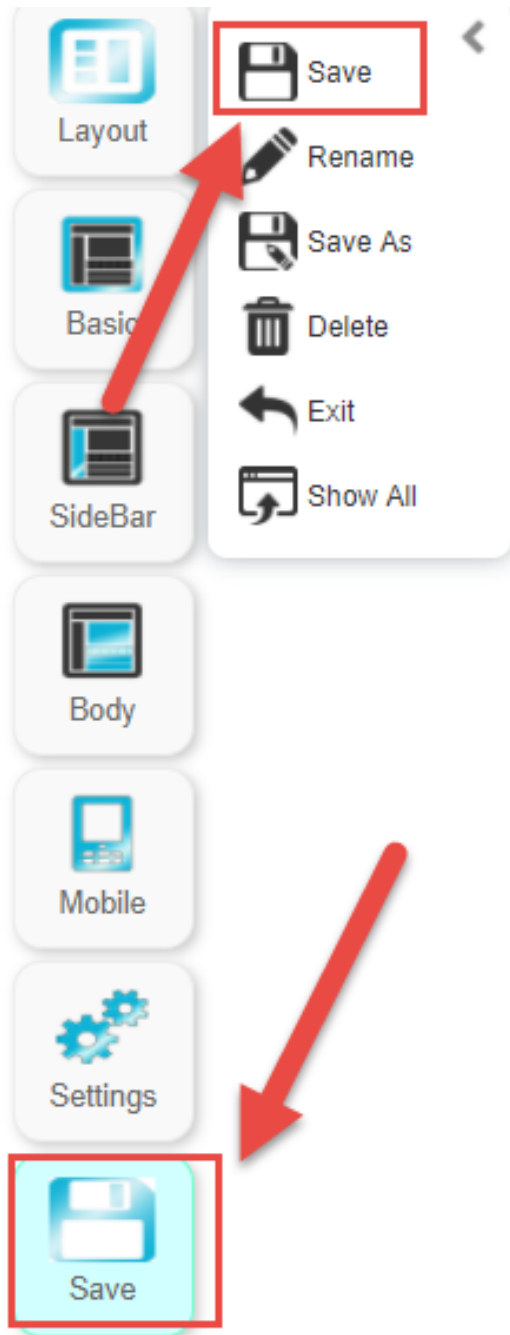

1. click the name of the template or click the pencil button next to the name

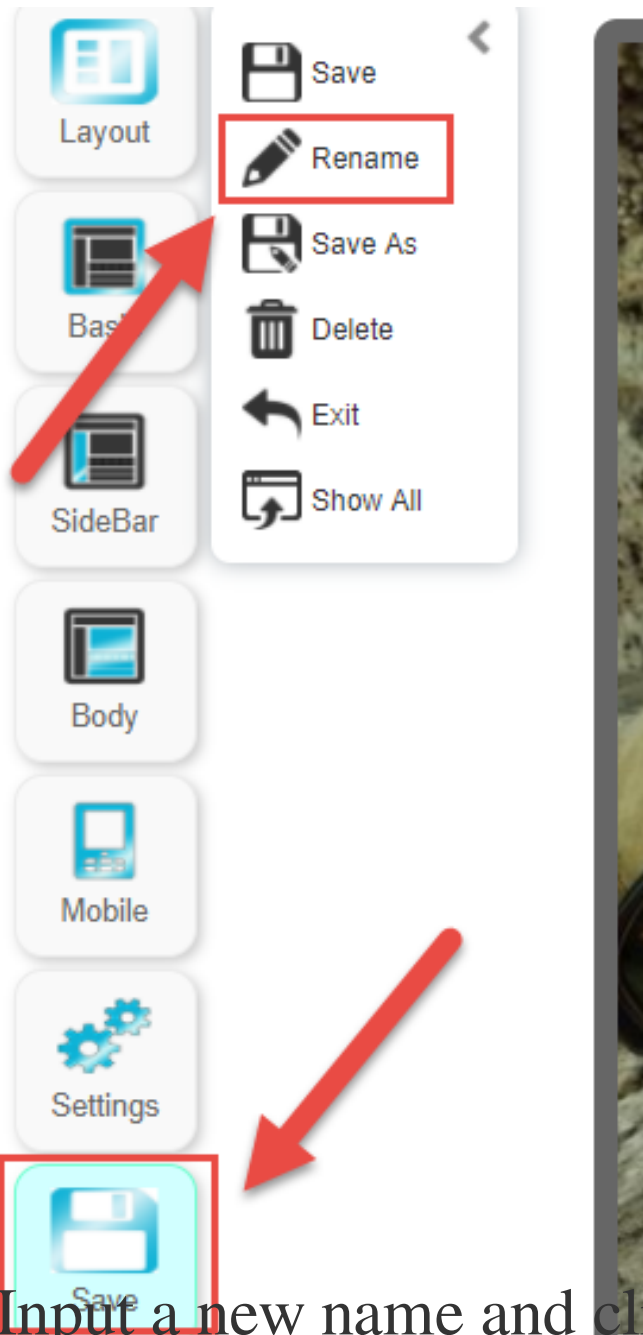

give it a new name, then click outer area to save the new name. Keyboard "Enter" key can not save the new name.

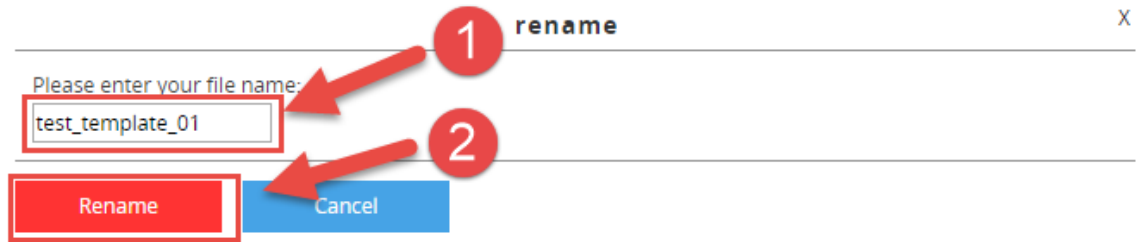

Then save your changes to the whole template

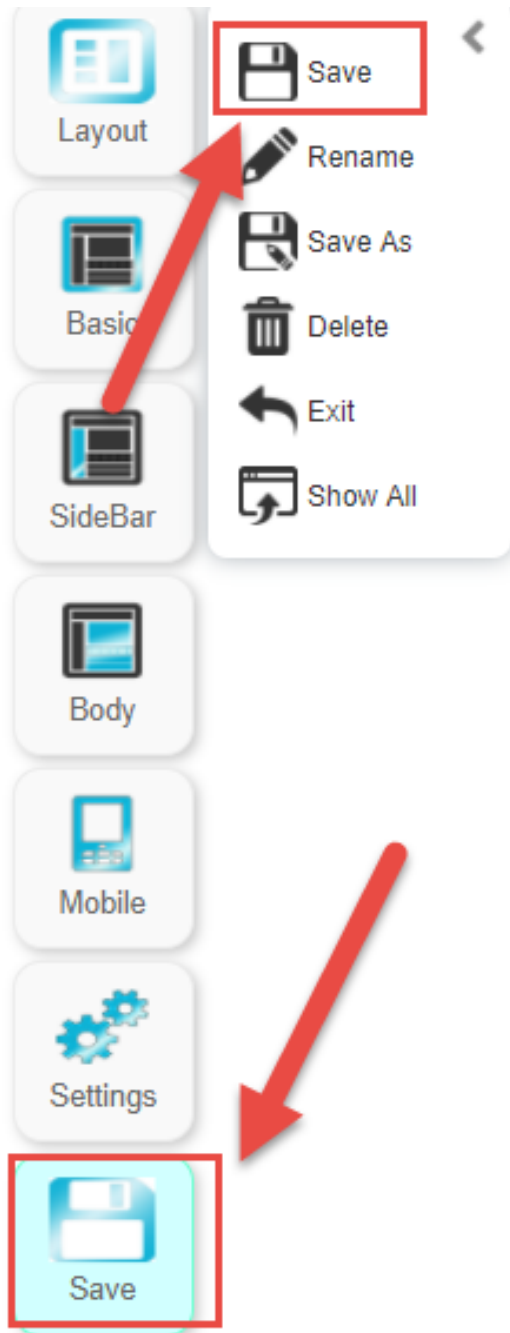

2. you can click the "save" button, then click the "rename" button.

Input a new name and click "rename"
button

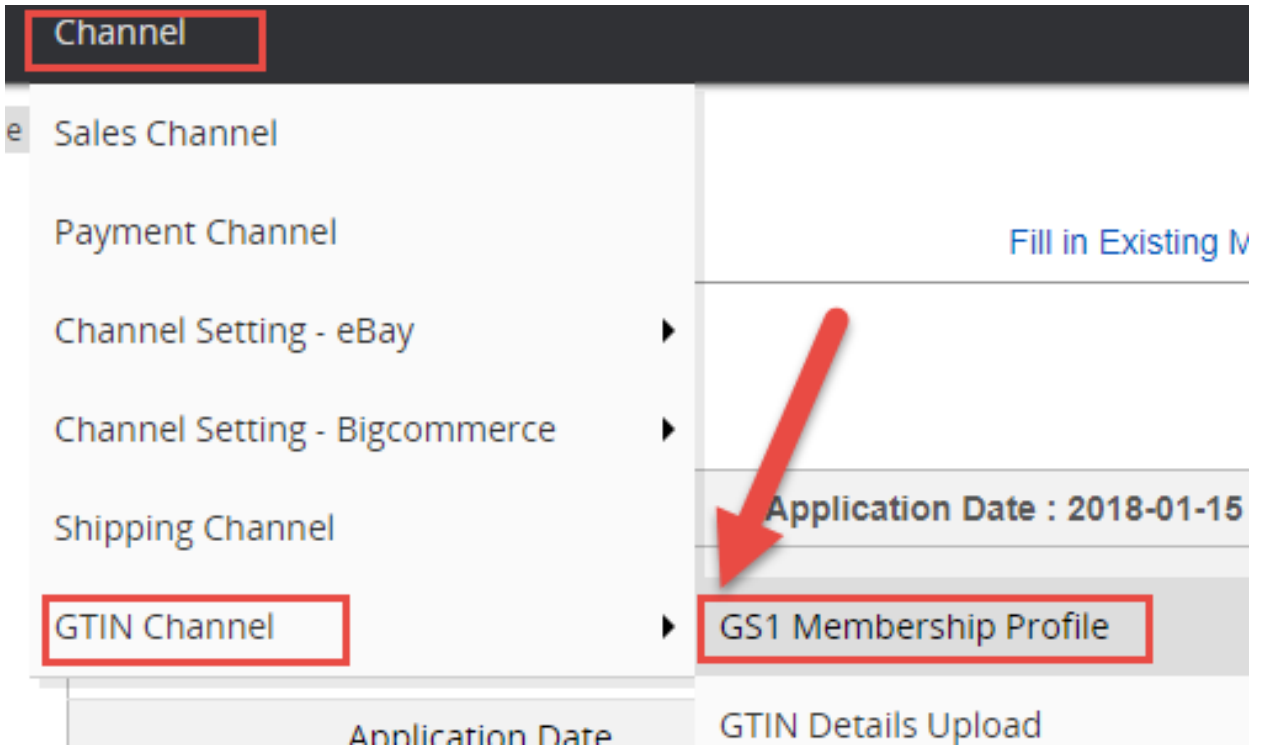

then click the "save" button within "Save" to save all the changes to the whole template

2. You can now add an existing GS1 Hong Kong member info to SoldEazy

Go to **Channel > GTIN Channel > GS1 Membership Profile**

Then click "Fill in existing membership form"
