If you see this error when trying to OS(out-of-stock) a BIN GTC multi-variation listing, then you might have disabled the OS(out-of-stock) function manually by accident.
This function is enabled by default on eBay backend and also in SoldEazy.
Resolution:
Go to Channel > Sales Channel, find the account of your listing, click the gear button on the right and enable the OS(out-of-stock) function as below.

Ebay Account Setting -			
	Default Setting —————		
	Default Business Profile	▼
