2020-04-17 System Update Notice

2020-04-17 System Update Notice

New Feature:

1. [Datasheet] In response to eBay's new policy, restrictions on verification/listing/synchronization have been applied to certain categories, system will return an error message if user tries to verify/list/synchronize datasheets.
2. [Sales Channel] If user is sure about his/her ability to list items in restricted categories, he/she can go to Channel > Sales Channel page and lift restriction for certain eBay account.
