User ID?

Please use your HongKong Post user ID. If you do not know your user name, you can log in to Hongkong Post and refer to the following image to check your user name.

View Account

Account Info

Login Name

Email Address

@

com

Please use that user name to connect Shipping Channel account.

After adding the account, **please contact SoldEazy customer service for account settings in system**, then you will receive a verification email from EC-Ship to your registered email address, **please click the verification link in the email to confirm this binding**, otherwise, this account connection will be fail.

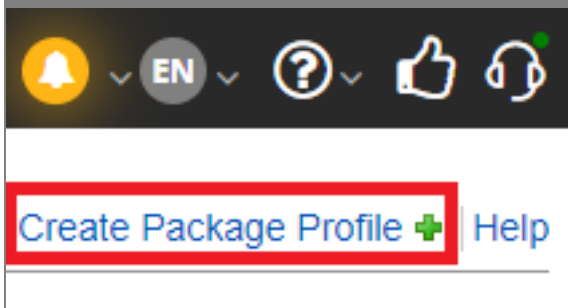

As one account can only connect once, **please do not delete the EC-Ship account in the Shipping Channel**, otherwise, this account will be invalid. You can only go to Hongkong Post website again and register a new EC-Ship account to connect SoldEazy.

2. Set package profile

Go to **ShipEazy > Package Profile**.

Click <Click Package Profile>.

Fill in the package profile name and choose the shipping carrier as <EC-Ship(Hong Kong Post)>, and then select the shipping method.

* If you have multiple shipping methods, you can create multiple package profiles.
