Content Box

Basic Descriptions

Item Specifics

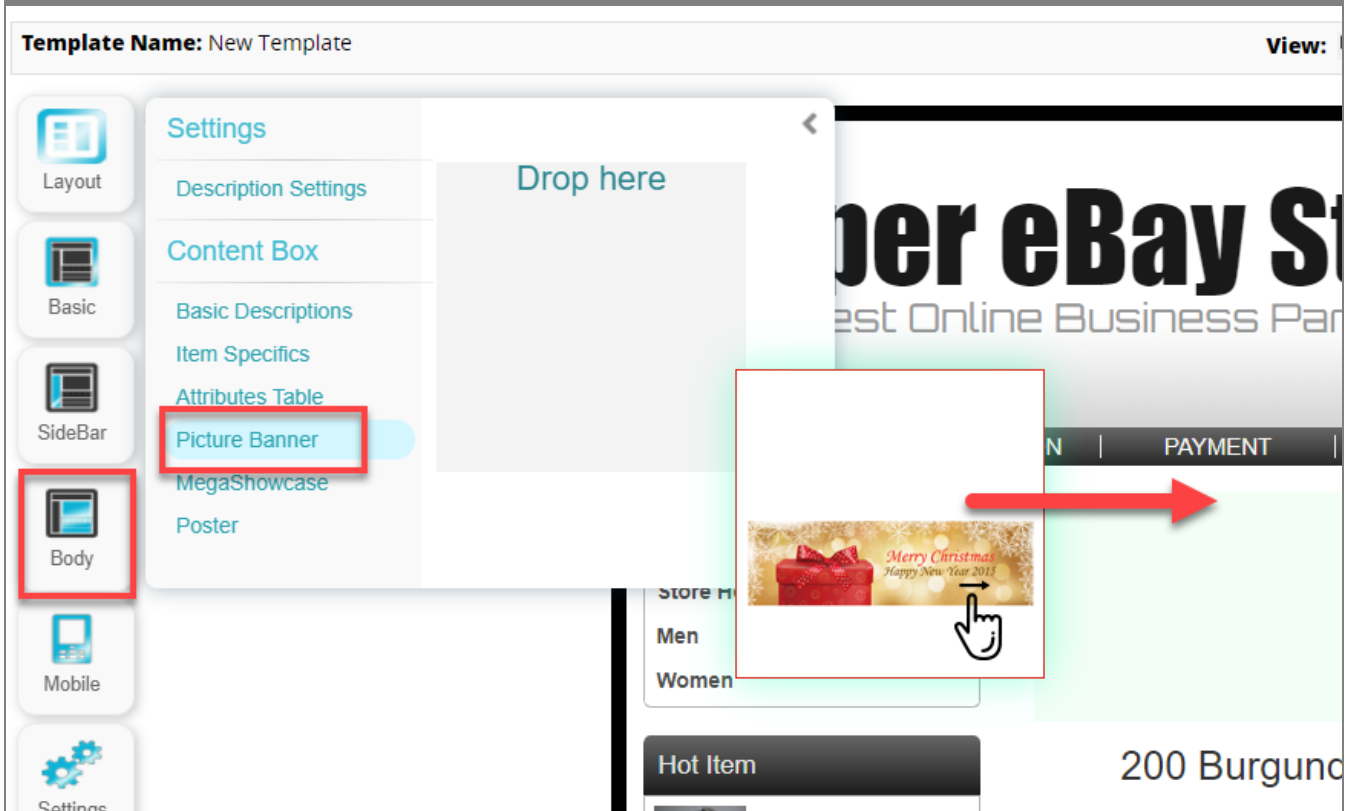

Attributes Table

Picture Banner

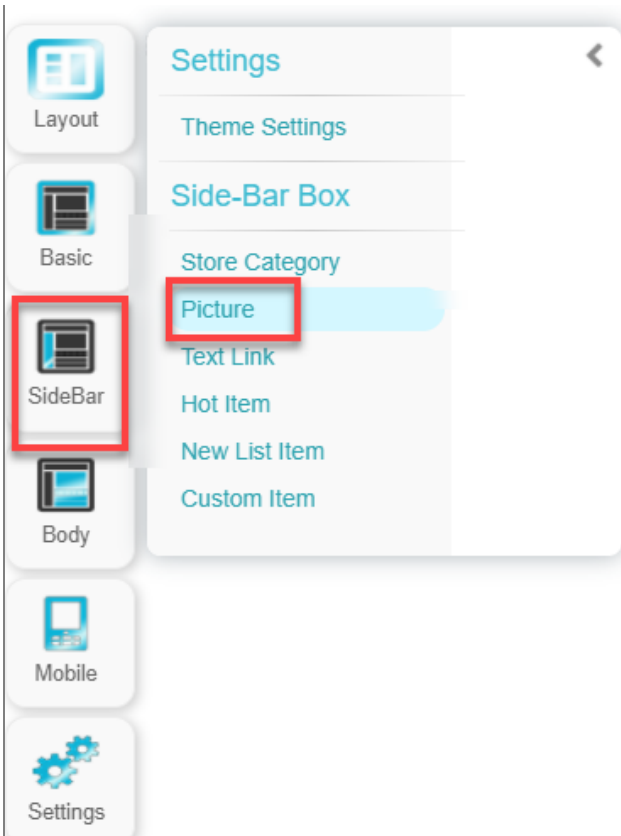

MegaShowcase

Poster

Drop here

"SideBar"(Max width 220px):

User may choose to use SoldEazy picture library or upload a picture from your local computer

SoldEazy picture banner library:

Banner Designer

Public Library My Library Upload

1024px

- All
- Motors
- Women Handbags
- Camera
- Clothing
- Computer
- Cosmetics
- Headset
- Homewares
- Women Accessories
- Pet Supplies
- Mobile Accessories
- Shoes
- Sports Accessories
- Leisure
- Watches
- Default
- Black
- Blue
- Brown

Go to editor

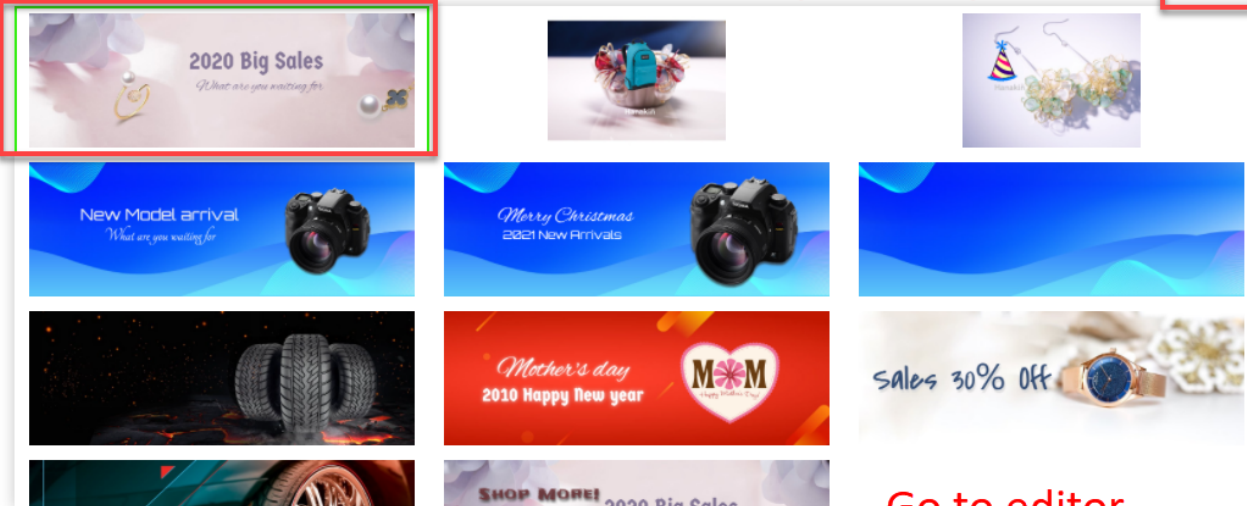

Select & Edit Select Only Cancel

Upload a picture from your local computer(Uploaded picture will be saved in "My Library" and can be used in other templates)

Banner Designer

Public Library My Library Upload

Select an uploaded picture

Go to editor

Select & Edit Select Only Cancel

The editor will allow you to add elements like texts, small pictures or shapes to the picture that's being edited, and you can resize these elements, adjust opacity or even skew them above this picture.

eg: text elements

Use these settings to adjust elements

Save Close

Click Save and the system will generate an edited version of that picture, saving it in "My Library"
