* How to PayPal business

1. How to PayPal

1) How to PayPal

Go to <https://developer.paypal.com> " Log into Dashboard ".

The screenshot shows the PayPal Developer dashboard. At the top, there's a navigation bar with 'PayPal Developer', 'Docs', 'APIs', 'Support', and a search bar. A red arrow points to the 'Log into Dashboard' button. Below the navigation bar, the main content area is titled 'Explore our payment products and solutions'. It features six cards: 'Checkout' (Help increase sales with Smart Payment Buttons), 'PayPal Commerce Platform' (Get our global, end-to-end payment solutions and technologies for marketplaces, e-commerce solution providers, and more), 'Subscriptions' (Get paid consistently with a subscription plan), 'Payouts' (Send money to many recipients at the same time), 'Invoicing' (Get paid fast when you send professional, customizable invoices from any device), and 'Accept card payments' (Get paid by credit card on the web, in your app, or in person. See our payment options.). A 'See all docs' link is at the bottom right of the cards. Below the cards, there's a section titled 'Get the Smart Payment Buttons code' with a 'PayPal' button and a 'PayPal CREDIT' button. At the bottom, there are logos for VISA, Mastercard, AMEX, and DISCOVER, followed by 'Powered by PayPal'.

2) Create app

Go to " My Apps & Credentials " REST API apps " Create App "

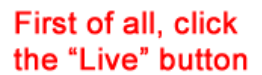

The screenshot shows the PayPal Developer dashboard. On the left is a blue sidebar with navigation links: DASHBOARD, My Apps & Credentials (highlighted with a red box), My Account, SANDBOX, Accounts, and Notifications. The main content area has a header with 'PayPal Developer', 'Docs', 'APIs', 'Support', and a search bar. Below the header, the title 'REST API apps' is highlighted with a red box. The text below it says 'Create an app to receive REST API credentials for testing and live transactions.' There is a note box stating: 'Note: Features available for live transactions are listed in your [account eligibility](#)'. At the bottom, a blue 'Create App' button is highlighted with a red box.

Create app ("Sandbox developer account",
PayPal e-mail app)

The screenshot shows the 'Create New App' page. The left sidebar is the same as the previous screenshot, but with additional links under 'MOCK': Webhooks Simulator, Credit Card Generator, and Negative Testing. The main content area has the title 'Create New App'. Below it, the text says 'Create an app to receive REST API credentials for testing and live transactions.' There is a section titled 'Application Details' with a form. The 'App Name' field contains 'SoldEazy app' and is highlighted with a red box. The 'Sandbox developer account' field contains a masked email address and is also highlighted with a red box. A red arrow points to the email field with the text 'Do not touch'. Below the form, there is a reminder: 'As a reminder, all apps created under your account should be related to your business and the type of business it conducts.' and a statement: 'By clicking the button below, you agree to [PayPal Developer Agreement](#)'. At the bottom, a blue 'Create App' button is highlighted with a red box.
