1. Shopify App

Shopify, " Apps "

The screenshot shows the Shopify Admin interface. The left sidebar has links for Home, Orders, Products, Customers, Content, Analytics, Marketing, Discounts, Sales channels (with Online Store selected), Themes, Blog posts, Pages, Navigation, Preferences, and Apps. The 'Apps' link is highlighted with a red box. The main content area shows the 'Online Store' section with a search bar at the top. Below it is a 'Installed apps' section which is currently empty. Under 'Recommended apps', there is a button labeled 'App and sales channel settings', which is also highlighted with a red box. The rest of the interface is dimmed.

?? " Create an app " ?? APP ??

The image shows the Shopify Admin interface. On the left, a sidebar lists 'Home', 'Orders', 'Products', 'Customers', 'Analytics', 'Marketing', 'Discounts', and 'Apps'. Under 'Sales channels', 'Online Store' is selected. The main area is titled 'App development' with a 'Create an app' button highlighted by a red box. A search bar and a 'Sort' dropdown are also present. A callout box titled 'Develop apps with caution' states: 'All apps are subject to the [Shopify API License and Terms of Use](#). In addition, you should not use apps to customize checkout.' It also notes 'App development allowed on 14 October 2020 by Harry Huang (harry@holistictec.com)'. A link to 'Learn more about [custom apps](#)' is provided. A modal window titled 'Create an app' is open in the foreground. It contains fields for 'App name' (with 'soldeazy' typed in) and 'App developer' (with a placeholder email address). A note below states: 'Can only be assigned to staff and collaborators with permission to develop apps. We'll contact them about development updates, like changes to Shopify APIs.' A link to 'Shopify API License and Terms of Use' is also present. At the bottom of the modal are 'Cancel' and 'Create app' buttons.
