2022-09-29 System Update Notice

New Feature:

1. [Order > Package Profile > FedEx] Added new columns in package profile: insurance, signature, tax payer: don't fill in account number for recipient; new option CFR for terms-of-sales; customer reference.
2. [Order > Package] added declare value, quantity, unit, name on package detail page
3. [Product > HS Code] added HS code mapping management page

Changed:

1. [Channel > Sales Channel] When eBay ID is changed on eBay, user can edit eBay ID and update API token authorization in SoldEazy.
2. [Order > Package] supports editing package detail for packages with Status: processing
