Link up Royal Mail account in SoldEazy

1. Generate a Click & Drop API authorisation key
2. Use API authorization key in SoldEazy

1. Generate a Click & Drop API authorization key

Go to Royal Mail's "Click & Drop" platform and log in:

<https://business.parcel.royalmail.com/>

Go to Settings

The screenshot shows the Royal Mail Click & Drop dashboard. At the top, there is a navigation bar with 'Click & Drop' logo, 'Dashboard', 'Orders', 'Products', and 'Reports'. A search bar is on the right. Below the navigation bar, there is a 'Welcome to Click & Drop' message and a 'Settings' icon (gear) highlighted with a red box and a red arrow pointing to it. Below the welcome message, there are four steps for getting started: 1. Set your shipping label format, 2. Check your return address, 3. Generate and print a shipping label, and 4. Integrate your online stores (Optional). At the bottom, there are four summary cards: 'New orders' (9), 'Orders ready for printing' (0), 'Orders ready for despatch' (0), and 'Orders despatched today' (0).

Go to "Integrations"
