

2018-04-26 system update

Article Number: 242 | Rating: Unrated | Last Updated: Wed, May 9, 2018 5:10 PM

2018-04-26 system update

1. Added legends in Live Listing view and Product Maintenance page
2. Warehouse management - if you do not select any listing sites when creating a new warehouse, then the system will add all sites to this warehouse.
