How do I change my store's display image?

How do I change my store's display image?

You can change your store's display image! Here's how.

Go to [Account > Settings > Display Settings](#) .

General Information

Display Name

Display Settings

Courier Preferences

Change Username

Change Password

Change Email

Email Preferences

Display Picture

image must be a square. 400px by 400px or larger.

Your image must be a square (same width and height) and should be 400px by 400px or larger.

Upload from Web (URL)

Upload from Computer

Update

The new image must be a square and at least 400 x 400 and must be an image URL. (If you need help getting an image URL, click [here](#) .) The image below is square and meets the size requirement.

Image size:  
400 × 400

Find other sizes of this image:  
[All sizes](#) - [Small](#) - [Medium](#) - [Large](#)

Once you have the image URL, paste it into the space and click Update.

Display Name

Display Picture

*Your image must be a square  
(same width and height) and  
should be 400px by 400px or  
larger.*

**Note:** Until you add your own picture,  
users see this default image.
