How to add Categories/ revise Categories of BC using SoldEazy?

The image shows two screenshots from the SoldEazy platform. The top screenshot displays the 'Channel' settings page, where a red box highlights the 'Store Category' link under 'Channel Setting - Bigcommerce'. A red arrow points from this link to the bottom screenshot. The bottom screenshot shows the 'Store Category' creation interface. A red box highlights the 'Create level-one category' button, with a red arrow pointing to it. Another red box highlights the 'Edit' button in the category list. A large text overlay in the center of the bottom screenshot reads: 'Go To Channel>Channel Setting>Store Category' and 'Create your category & the BC site will real-time update accordingly'.

Remark

- Click a node to select category
- Drag & drop to move category

Create your category & the BC site will real-time update accordingly

Operation Reminder:

If created categories via BC, use the “Sync Back” function to let SoldEazy synchronize the changes

Currently SoldEazy supports 2-layer categories, be sure the category setting won't exceed & using SoldEazy to maintain setting is recommended

BC-related Reminders:

>Need to change email items in BigCommerce Back-end

>Need to revise text per included in pages (e.g. Our Service, Shipping Information, etc.); include hyperlinks settings

>Need to change credit card part for Alicialiving's own operation (>Account Settings>Account Summary> Update billing details)

>Recommend not to edit the Theme Editor part that requires technical knowledge
