Set offer details and click red button to send

Send offer to buyer(s)

To send eligible buyers offers to purchase items in a listing at a discount.

Offer Duration:	2 Days	▼
Offer Discount rate(%):	5	
Offer Quantity:	2	
		-

* Quantity is the number of items that must be purchased to activate the discount

* The eligible buyers are those who show interest in a listing when they add the listing to their Watch list, or when they add the listing to their shopping cart, but abandon the item after a time.

* No extra fee will be charged.

Send Offer

Cancel

After sending out the offer, the red cart button will become green, you can mouse over on the button to see the offer details sent this time. If you update listing status again, then this listing will disappear from eligible item list

2. Send seller offer in bulk

Select listings that you wan to send offer to buyers, click the "bulk send seller offer" button
