2022-06-08 System Update Notice

New Feature:

1. [Promoted Listing Advanced] added new function "Bulk Export Report" with report type and account selection.
2. [Orders] User can export orders with column "Must dispatch by".
3. [Orders > FedEx] All FedEx packaging type options are available in package profile now.
4. [Orders > FedEx] User can add "custom reference" for fedex packages.
